SEMINAR ON COST ENGINEERING

Shaping Minds and Broadening Perspectives

Date : 25 July 2019

Time : 8.00 am to 1.00 pm

Venue : The Royal Widad Residence, Residensi UTM Kuala Lumpur

Fee : RM250 for Professional & RM50 for Student

Language : English

Deadline for Registration : 15 July 2019

CPD Points: 5 CIDB CPD, 2 BEM CPD and 2 BQSM CPD

SYNOPSIS

Cost engineering is an essential project management technique that can be utilized to improve project performance. It is one of the knowledge areas as per PMBOK guideline. This seminar is designed to give an essence of the approaches and techniques of project cost engineering in the engineering & construction. It is suitable for quantity surveyors, structural engineers, architect, M&E engineers and project managers those who intend to gain an additional knowledge of cost management in the engineering & construction projects. The invited panellist will discuss about the best practices and lesson learnt in developing cost engineering approaches that would provide a home ground advantage and a framework for managing the cost of engineering and construction projects.

KEYNOTE SPEAKER

DATO' DR. SYED OMAR SHARIFUDDIN BIN SYED IKHSAN
