CERTIFIED FINANCIAL COACH™ (CFC®)*

ABOUT THE PROGRAMME

The Masterclass Certification in Financial Coaching Programme (MCFCP) is designed for those seeking coaching certification with a financial focus that will enhance their leadership and communication skills and abilities through deepening their coaching capability and for those who are seeking to become a professional financial coach. It is specially designed for Financial Planners, Insurance Agents, Unit Trust Agents, Bankers, Accountants and all other professionals in the financial services sector and anyone interested to help others as a financial coach.

WHO IS A FINANCIAL COACH?

A financial coach is essentially a life coach with knowledge and experience in financial matters and financial planning. The primary objective of the financial coach will be to help individuals on a personal level or in a group to understand the basics of financial planning and focus on financial management and behavioral change and empower such individuals to be accountable for their actions to achieve their personal or corporate financial goals.
