## Universiti Teknologi Malaysia

Universiti Teknologi Malaysia (UTM), established in 1904, is a premier university in engineering, science and technology. Located in Johor Bahru, south of Peninsular Malaysia, it currently has more than 12,000 full-time undergraduates, 10,000 postgraduates and 6,000 part-time undergraduates. Having produced more than 200,000 technical graduates and qualified professionals over the years, UTM has earned its place as Malaysia's premier university in Engineering and Technology which inspires creativity and innovation.

## Explore Johor...Learn English

Learn English while exploring Malaysia's Southern Jewel - Johor. Enjoy learning English in an immersion environment where participants 'speak, eat, travel and dream' in English. They will be engaged in language games, fun communicative activities and adventure. The course will be conducted at a number of locations and in different learning environments such as home stay, national park and UTM state-of-the art digital language laboratories.

## Learning Objectives

- Communicate in English more confidently
- Use English effectively in a variety of contexts
- Deliver effective presentations
- Participate effectively in conversations and small group discussions
