ICBME2026 Extended Abstract Preparation Guidelines

The extended abstract submitted to ICBME2026 must be an original work, do not contain any plagiarized material and have not been published or under consideration for publication elsewhere. All submissions will be peer-reviewed. Submissions directly mailed to the editorial office will not be processed. Please use the following guidelines to prepare your extended abstract.

Structure of an Extended Abstract

An extended abstract must include more detailed sections compared to a standard abstract. Divide your extended abstract into clearly defined sections. Any subsection may be given a brief heading. Each heading should appear on its own separate line. Authors must submit an extended abstract that comprises of:

- **Title:** Concise and informative title.

- **Authors and Affiliations:** Names of the authors and their institutional affiliations.

- **Introduction:** Provides background information and states the research problem, objectives.

- **Methods:** Describes the research design, data collection methods, and analytical techniques.

- **Results and Discussion:** Presents the key findings, Interprets the results with supporting data and analysis.

- **Conclusion:** Summarizes the main conclusions and suggests future research directions.

- **References:** Lists the sources cited in the extended abstract

- **Acknowledgement**

This an extended abstract can be between 1-3 pages long, offering a more comprehensive summary with detailed information on the methodology, results, and implications.

Details on formatting:

- Times New Roman font, size 12, with double-line spacing.
- The left, right, top and bottom margins should be 2.54 cm (1 inch).
- Do not use boldface for emphasis within the text.
- Numbers one to ten are written out in words unless they are used as a unit of measurement, except in figures and tables.
- Use single hard-returns to separate paragraphs. Do not use tabs or indents to start a paragraph.
- Do not use the automated features of your software, such as hyphenation, headers, or footers (especially for references). You can use page numbering.

Figure

- Figure number must be written consecutively in the order of their first citation in the text (e.g. Figure 1, Figure 2).
- Images as TIFF/JPEG files should be submitted with a minimum resolution of 300 DPI and a minimum dimension of 1,000 x 1,000 pixels.
- Letters, numbers and symbols should be clear and even throughout and of sufficient size so that when they are reduced in size for publication, each item will still be clearly identifiable.
- If a Figure has been published, acknowledge the original source and submit written permission from the copyright holder to reproduce the material.

Table

- Number the tables consecutively (e.g. Table 1, Table 2, Table 3) in the order of their first citation in the text.
- Provide a brief title, which should be shown at the top of each table.
- The table heading should be in 12-point Times New Roman font, BOLD.
- Legends should be in 10 points, single-spaced.
- Tables should be in 10-point Times New Roman font, single-spaced.
- Place table explanations in the footnotes of the table.
- Explain all non-standard abbreviations in the footnotes to the tables.
- Obtain permission for publication before submission of the manuscript and acknowledge fully if data from another published source is used

Submission to ICBME2026 conference

Authors must submit the following document online through **CFP** https://cmt3.research.microsoft.com/

- Must be submitted in PDF format only.
- Once peer-reviewed, authors will be notified of the acceptance.

Step 1: Login into the CMT website.

*Authors will need to register their email with CMT first before submission. Here is a link how to create a CMT account: https://cmt3.research.microsoft.com/docs/help/general/account-creation.html

Step 2: Choose the correct conference name from the Conference List> All conferences > type at filter **ICBME2026**.

Name	Start Date	Location	External URL
Welcome to the CMT Site Request Submission System!	1/1/2035		
CMT Ticket System	4/17/2025	redmond, usa	http://contoso.com
30th International Conference on Database Theory	6/4/2027	Lille, France	https://edbticdt2027.github.io/
Proceedings of the VLDB Volume 20 (for VLDB 2027)	8/23/2027	Athens, Greece	https://www.vldb.org/2027/
The 8th International Conference on Protective Structures	6/21/2027	Prague, Czech Republic	https://www.icps8.com
ACM SIGMOD/PODS International Conference on Management of Data 2027	6/13/2027	Huntington Beach, USA	https://2027.sigmod.org/index.shtml
World Media Economics & Management Conference 2027 Guadalajara	5/18/2027	Guadalajara, Mexico	https://wmemc2027up.mx/
43rd IEEE International Conference on Data Engineering (ICDE)	5/10/2027	Copenhagen, Denmark	https://icde2027.github.io/
30th International Conference on Extending Database Technology (EDBT'27)	4/6/2027	Lille, France	https://edbticdt2027.github.io/
International Conference on Nano-Devices, Emerging Materials for Advanced Computing	2/26/2027	Nandyal, India	https://icndemac.com/srec/
International Conference on Emerging Materials, Measurement Technologies and Machine Intelligence 2027	1/29/2027	Guwahati, India	https://em3i.in/
International Conference on Multidisciplinary Perspectives in Advanced Computing and Technology	1/29/2027	Pantnagar, UK, India	https://icmpact.com/

Step 3: Click on the conference name.

Step 4: Click on +Create new submission> choose your specific **TRACK**.

Step 5: Fill in submission details and add files. Click submit.

Step 6: Author can submit name of conference members that you have conflict of interest with. This section can also be skipped by clicking DONE.

Step 7: Successful submission will appear in the Author Console. Submission can be edited or deleted by the author.
